

TOWN OF CHESTER GARBAGE DISTRICT
UPDATED 12/29/2009

Effective January 1, 2010, the Town of Chester Garbage District will be serviced by County Waste. There are changes to the scheduling of garbage and recycling pick up days.

Recycling will be picked up Monday and Tuesday.

Garbage will be picked up on Wednesday, Thursday or Friday.

Listed at the end of this message is the list of roads and collection dates.

County Waste welcomes Chester to Automated Recycling Collection

Homes are being furnished with special wheeled collection carts. The hinged lid is designed to be compatible with their Automated Collection trucks. The container with the GREEN lid is for RECYCLING.

What is Automated Collection? Automated collection is totally unique system of residential collection. Each home will be furnished with a collection container which is to be rolled to the end of the driveway the night before your collection day. The trucks are equipped with a lifting mechanism on its side that will lift and dump the container.

Neat, Clean, Easy:

The rolling cart is easy to maneuver – no more lifting or dragging heavy cans.

Cleaner, neater looking neighborhood with uniform containers.

Animals can't get in or knock over the cart and wind can't blow the cover off as it is hinged to the container.

No more garbage/recycling blowing around the neighborhood.

IMPORTANT:

Please start using your wheeled car beginning January 1, 2010. Please set the cart at the end of your driveway with the wheels facing the house. Keep the cart at least 4 feet from mailboxes, poles or lampposts. Please set your cart no more than 4 feet from the edge of the road. Be sure to place all garbage in the garbage cart and all recycling in the recycling cart.

Thank you for you cooperation.

SINGLE STREAM RECYCLING: All recycling can go in the one container. Papers should still be tied, (not in bags). All recycling will be taken to a facility that sorts out the items. For a full list of recyclable items, see information packet distributed with container.

Bulk pick up will begin April 1 and end November 30 of each year.

Tire recycling will take place the second and third week in May of each year. Tires (off rims) will be collected at the Highway Garage at 77 Laroe Road during this time.

HOLIDAY SCHEDULE: If your pick up day is on their list of scheduled holidays (see information provided with garbage) your pick up day will be the next day.

TOWN OF CHESTER
RECYCLING SCHEDULE

MONDAY
